Mr. BROWNBAC. Mr. President, I ask unanimous consent that the Senate concur in the amendment of the House.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. ROTH. Mr. President, I applaud the passage of H.R. 4868. This bill includes a critically important provision that I first introduced on June 9, 1999, that bans the importation of products made with dog or cat fur. An estimated 2,000,000 dogs and cats are slaughtered and sold annually as part of the international fur trade. We want this trade in dog and cats pelts to stop at our borders, and hopefully save millions of animals from this cruel practice. I have worked very hard to see this bill come to fruition, and I urge the President to sign it into law.

We are also helping companies across the United States to reduce their costs on vital inputs used in manufacturing a wide variety of products. Among these are provisions that help reduce the costs of potentially life-saving medicines used to treat HIV and AIDS.

I am particularly proud that this bill will have an immediate and positive

impact on my home state of Delaware. There are provisions in this bill that reduce duties on imports used by Delaware companies to manufacture final products.

There are also restrictions on cigarette imports included in this legislation that will help ensure that cigarettes entering our market will fully comply with all health and labeling requirements. It will also ensure that Delaware receives its full share of payments under the tobacco settlement agreement, which will likely mean millions of additional dollars to my State and others.
